Mission: The Leadership Academy seeks to provide high quality, interactive leadership training to members to enable them to become effective leaders in local and state bar organizations, in South Carolina communities and nonprofits, and to serve as role models in matters of ethics and professionalism.

Purpose: This highly selective program is designed to equip members to face challenges in the legal community and community at large; maximize networking and relationship building opportunities; nurture principled leadership and increased awareness regarding ethical, professional and community service issues; and develop other skills necessary to give back to the profession and position themselves as valuable leaders in the community.
